United States District Judge

From: Jaron Langhorne 72492-054
 Next Federal Court Date: June 20th 2024*
 Docket No. 1:15CR00386-004 (JGK)*
 Pending: Probation Violation Outcome*
 Next State Court Date: June 11th 2024*
 In Custody Since: Dec 28th 2023

Good evening Judge Koelt. I am writing you in regards to my Probation violation outcome. I have been incarcerated since December 28th 2023 awaiting my Pending State Cases to be dismissed or for me to take a guilty plea which was brought to my attention by my State Attorney Christopher Herr. I am suppose to take a guilty plea of 15 days imprisonment on June 11th 2024 which is suppose to take place tomorrow. However to my knowledge without a writ being ordered to have me presented in court I see that my Federal Court proceeding (Probation violation process) will be extended/prolonged due to the criminal court (state) process. I was suppose to take a Misdemeanor guilty plea on May 16th 2024, however the necessary paperwork wasn't completed, so when I was presented in Federal Court in front of you Judge Koelt on May 20th 2024, you pushed my court date to June 20th 2024 rather than sentence me to a term of imprisonment or rather time served. I am asking that you take into consideration that I've been incarcerated for 6 months and that my Specifications has dropped to where multiple cases on my violation were dismissed, dropped, or given an ACD. I have only one pending state case, which they are offering me a plea of 15 days jail time (I have that time in already), which I will be taking tomorrow if the prosecutor put in the writ but if not I will like to be released from federal custody being that my violation holds a term of imprisonment of 4-10 Months. I hereby plea guilty to specification(s) #4 for marijuana use and specification(s) #10. I pray that you show leniency Judge Koelt, and Happy Father's Day Honorable Judge Koelt.
